The patch test rule

Every first-time colour client needs a **patch test at least forty-eight hours before** the appointment. It takes five minutes and there is no charge. A client who has not had a patch test cannot have colour that day, whatever the booking says. Returning colour clients need a fresh patch test if it has been more than six months since their last colour service with us.

Treatments

- **Deep conditioning, twenty-four euros.** Twenty minutes, added to any appointment.
- **Scalp treatment, thirty-two euros.** Thirty minutes.
- **Keratin smoothing, from one hundred and ninety euros.** Allow two hours thirty.

Booking an appointment

- We hold appointments with a phone number. There is no deposit for a cut.

- Colour services over one hundred euros and all keratin appointments take a **twenty euro deposit**, taken over the phone and set against the final bill.
- We book up to twelve weeks ahead. Saturdays fill about three weeks out.
- You may ask for a named stylist. If they are unavailable we offer the next slot with them and an earlier slot with someone else, and the choice is yours.

Cancellations and lateness

- Cancel or move an appointment **more than twenty-four hours** ahead and there is no charge, and any deposit moves with the booking.
- Cancel **inside twenty-four hours** and we keep the deposit. There is no other charge.
- A **no-show** is charged at fifty per cent of the booked service. After two no-shows we ask for the full price up front.
- Arrive **more than fifteen minutes late** and we may have to shorten or move the appointment. The full price still applies to a shortened appointment.

The team

- **Mara Villanueva**, senior stylist and studio manager. Colour correction and curly hair.
- **Tomas Bergin**, senior stylist. Balayage and blonde work.
- **Priya Raghunathan**, stylist. Precision cutting and short hair.
- **Konrad Zieliński**, stylist. Barbering and men's cuts.
- **Neve Okonkwo**, junior stylist. Cuts and blow dries at a twenty-five per cent lower price.
